Working Experience

Sep 2016

– *Present*

Interaction designer

Google | Kirkland, WA, the U.S.

- Worked in the People team with the mission to help users easily discover and connect with the right people at the right time, everywhere.
- Tackled complex problems from user, technical and business perspectives. Designed accessible and intuitive interfaces for billions of users.
- UX lead for Google Contacts, Contact Sheet and G-suite Directory.

Sep 2013

– *May 2015*

Interaction designer

Sharewire | The Hague, the Netherlands

- Led the design process of the app/web projects, including ux research, interaction design, visual design and prototyping.
- Coordinated with a cross-functional team (strategists/developers/PMs) internally and took charge of milestone presentations to clients externally.
